*2025 has been a year of personal ups and downs for members. The 'ups' include shared pleasurable activities and great friendship. May the memories be treasured as an important record of history and may the positives continue on into 2026. A happy and safe Christmas to you and your families.*

*Leone (president)*

## *Behind the news, November*

### WELCOME

At the end of October, the committee approved an application for membership from Jan Thorne. Jan, from the Sunny Coast, has been a regular supporter of our activities despite having to travel some distance to get here. Jan bolsters our Army membership. Welcome Jan

### RSL RAFFLES

Thank you to the 'workers' and supporters of our four raffle evenings. The RSL presented us with a cheque for \$2,214.00, valuable funds that will help us continue our wellbeing activities in 2026.

### ACTIVITIES

#### Our Christmas luncheon:

Well done to Jeannie and her team of workers—the overall feel was Christmas and friendship. Top marks also to everyone in attendance for getting into the fun of the activities. Raffle prizes! Wow, what a table full. Thank you to donors and ticket buyers. Our treasurer will have a busy day counting takings!

Not only did coordinator Jeannie do most of the planning, she also took most of the photographs and I need to add that those taken of the three tables are arguably the best and clearest table shots I have seen. Check them out on Facebook, Thank you Jeannie.

More to come for '25. By the way, the year has not fully ended yet, we still have a cuppa chat, ten pin bowls and some line dancing to come. And the committee have a meeting.

#### Super Saturday at the Social Club (Rowers building):

Call for volunteers! Some regulars will be absent at the beginning of January. We need a team of 4 or 5 please. It is usual that some of us will stay on and enjoy lunch following the raffle draw—to do that, we will need to book a table so please let our secretary or myself know if you will be staying for lunch.

The 2026 calendar of events is displayed on the notice board and outlined on pages 6 and 7. A full version of page 7 will be on our web site and can be downloaded.

Keep an eye on the notice board, the clipboards, minutes and future CO's as things may change.

### 2026 AGM

Motions for the AGM will need to be put to the February general meeting, therefore they need to be with the secretary by 10 February. Nominations for committee close Monday 2 March.

### 60th DIAMOND REUNION 2027

The year ahead will be busy for the sub committee as planning for the reunion needs to be completed sufficiently to extend invitations early in 2027.

You can become involved and bring your ideas to the sub committee by contacting Jenny Waldron and ask to be included in notices regarding sub committee meetings.

### WELLBEING

We have a number of members who live alone or facing Christmas for the first time without a loved one. Please be mindful of these members. Even a simple phone call could make a difference.

Feel free to contact me anytime over the break. Land line 4159 4134 is the best option from 0630 to 2000 Hrs.

Take care

## A LITTLE MIND GAME JUST FOR FUN

2% or 98%. This is strange...can you figure it out?  
Are you the 2% or 98% of the population?

Follow the instructions! NO PEEKING AHEAD!  
There's no trick or surprise.

Just follow these instructions, and answer the questions one at a time and as quickly as you can, but don't advance until you've done each of them ... really. Now, scroll down (but not too fast, you might miss something.)

Think of a number from 1 to 10

Multiply that number by 9

If the number is a 2-digit number, add the digits together

Now subtract 5.

Determine which letter in the alphabet corresponds to the number you ended up with (example: 1=a, 2=b, 3=c, etc.)

Think of a country in Europe that starts with that letter.

Remember the last letter of the name of that country.

Think of the name of an animal that starts with that letter.

Remember the last letter in the name of that animal.

Think of the name of a fruit that starts with that letter.

Are you thinking of a Kangaroo in Denmark eating an Orange?

I told you this was FREAKY!! If not, you're among the 2% of the population whose minds are different enough to think of something else. 98% of people will answer with kangaroos in Denmark when given this exercise.

(Denmark is the obvious choice of a country in Europe commencing with "D", "Kangaroo" is the usual choice of Aussies for an animal commencing with "K", and "orange" is the usual choice for a fruit commencing with "O". Simple, isn't it?? Nice to know we all agree on something.

Just saw another quote:

*"We are all different. We all live under the same sky, but we do not all have the same horizon."*

## POPPY SERVICE

The RSL is looking for volunteers to conduct the poppy service at funerals for veterans.

Please speak to Dannielle if you think you might like to assist.

With my ailing memory, I'm thinking  
of changing my password to "incorrect"  
That way, when I log in with the wrong  
password, the computer will tell me..  
"Your password is incorrect"

## Calls from unknown numbers

### Does the caller:

- ⚠ Claim to be from a well-known organisation?
- ⚠ Use imagery from a familiar brand?
- ⚠ Offer a refund, asking you for your financial details?
- ⚠ Sound difficult to understand?
- ⚠ Pressure you for immediate action?
- ⚠ Advise you that your computer has a virus?

# Commemorations

REMEMBRANCE DAY 11 November

Faye, Kate, Gloria and Helen 'Baldy' attended the service held in ANZAC park—the first service to take place in the newly redesigned and rededicated commemoration area of the park. Following the service they joined other veterans for the RSL Luncheon.

At Burnett Heads, well known ex-local, Shirley Watson was the wreath layer for our association. The air force group of Shirley Parker, Shirley Watson, Leone and John Wilson dined together at the Lighthouse Hotel.

## STREETS OF REMEMBRANCE

The location of two more approved streets of remembrance has been selected.

Black Road and Barsby Place will both be located in the Booyal area. Both roads have been unnamed until now. Barsby Place runs off Black Road.

Sister Elsie Winifred Black was from South Kolan; and we all know Sharon!

A street, yet to be allocated, for Eleanora Mallet (previously Hayes), Land Army, will now carry the name Eleanora rather than Hayes. There is already a Hayes Street.

Gloria lays our wreath in Bundaberg

## GRANDMAS

The doctor that had been seeing an 80-year-old woman for most of her life finally retired. At her next checkup, the new doctor told her to bring a list of all the medicines that had been prescribed for her.

As the young doctor was looking through these, his eyes grew wide as he realized she had a prescription for birth control pills. "Mrs. Smith, do you realize these are BIRTH CONTROL pills?"

"Yes, they help me sleep at night."

"Mrs. Smith, I assure you there is absolutely NOTHING in these that could possibly help you sleep!"

She reached out and patted the young Doctor's knee. "Yes, dear, I know that. But every morning, I grind one up and mix it in the glass of orange juice that my 16 year old granddaughter drinks. ....and believe me, it helps me sleep at night."

A woman and her 10 year old son were riding in a taxi in New York. It was raining and all the prostitutes were standing under the awnings.

"Mom " said the boy, "what are all these women doing? "

"They're waiting for their husbands to get off work," she replies.

The taxi driver turns around and says, " Geez lady, why don't you tell him the truth ? They're hookers, boy ! They have sex with men for money. "

The little boy's eyes get wide and he says, " Is that true mom? "

His mother, glaring hard at the driver, answers in the affirmative.

After a few minutes, the kid asks, "Mom, what happens to the babies those women have?"

"Most of them become taxi drivers," she said.

## TRUISMS

**ADULT** A person who has stopped growing at both ends and is now growing in the middle.

**BEAUTY PARLOR** A place where women curl up and dye.

**CHRISTMAS QUIZ—Weakest Link?** Are you the weakest link? Below are four (4) questions. You have to answer them instantly. You can't take your time, answer all of them immediately without looking at the answer. OK? Let's find out just how clever you really are. Ready? GO!!!

**First Question:** You are participating in a race. You overtake the second person. What position are you in?

**Answer:** If you answered that you are first, then you are absolutely wrong! If you overtake the second person and you take his place, you are second! Try not to screw up in the next question. To answer the second question, don't take as much time as you took for the first question.

**Second Question:** If you overtake the last person, then you are...?

**Answer:** If you answered that you are second to last, then you are wrong again. Tell me, how can you overtake the LAST person? You're not very good at this are you?

**Third Question:** Very tricky math! Note: This must be done in your head only Do NOT use paper and pencil or a calculator. Try it. Take 1000 and add 40 to it. Now add another 1000. Now add 30. Add another 1000.. Now add 20. Now add another 1000. Now add 10. What is the total? Move down for answer..

Did you get 5000? The correct answer is actually 4100. Don't believe it? Check with your calculator! Today is definitely not your day. Maybe you will get the last question right?

**Fourth Question:** Mary's father has five daughters: 1. Nana, 2. Nene, 3. Nini, 4. Nono. What is the name of the fifth daughter?

**Answer:** Nunu? NO! Of course not. Her name is Mary. Read the question again

*Happy Birthday!*

the judge was in some doubt,  
When dad was called to have his say as to how it came about,

'I reckon I can clear it up,'  
said dad with trembling breath,  
'You see it's quite a story - but it could explain his death.'

'This here exploration mob had been looking at our soil,  
And they reckoned that our farm was just the place for oil,

So they came and put a bore down and said they'd make some trials,

They drilled a hole as deep as hell, they said about three miles,

Well, they never found a trace of oil and off they went, post haste,

And I couldn't see a hole like that go to flamin' waste,

So I moved the dunny over it - real smart move I thought,  
I'd never have to dig again - I'd never be 'caught short',

The day I moved the dunny, it looked a proper sight,  
But I didn't dream poor

Granddad would pass away that night,

Now I reckon what has happened - poor Granddad didn't know,

The dunny was re-located when that night he had to go,  
And you'll probably be wondering

How poor Granddad did his dash--

Well, he always used to hold his breath -

Until he heard the splash !!
